Dear Mrs.

Nugraheni:

Manuscript ID JHSMR-2022-0501 entitled "Knowledge, Attitude, and Practices toward Covid-19 Vaccine Acceptance: A Cross-Sectional Study" which you submitted to the Journal of Health Science and Medical Research, has been reviewed. The comments of the reviewer(s) and Journal Manager are included at the bottom of this letter.

The reviewer(s) have recommended publication, but also suggest some minor revisions to your manuscript. Therefore, I invite you to respond to the reviewer(s)' comments and revise your manuscript.

To revise your manuscript, log into <https://mc03.manuscriptcentral.com/jhsmr> and enter your Author Center, where you will find your manuscript title listed under "Manuscripts with Decisions." Under "Actions," click on "Create a Revision." Your manuscript number has been appended to denote a revision.

You may also click the below link to start the revision process (or continue the process if you have already started your revision) for your manuscript. If you use the below link you will not be required to login to ScholarOne Manuscripts.

\*\*\* PLEASE NOTE: This is a two-step process. After clicking on the link, you will be directed to a webpage to confirm. \*\*\*

You will be unable to make your revisions on the originally submitted version of the manuscript. Instead, revise your manuscript using a word processing program and save it on your computer. Please also highlight the changes to your manuscript within the document by using the colored text mode in the MS word.

Once the revised manuscript is prepared, you can upload it and submit it through your Author Center.

**IMPORTANT:** When submitting your revised manuscript, you need to respond to the comments made by the reviewer(s) in the space provided. You should use this space to document any changes you make to the original manuscript. In order to expedite the processing of the revised manuscript, you must state the line and page you changed in each response. These examples are the pattern for a response

eg. Reviewer1.

1.Maybe you should explain that how many patients have you collected for this experiment?

- Response: I have collected 20 patients for this experiment and I have already added the data in the material and methods in line 3 page 4

**NOTE:** Your original files for revising are available to you in Step3: File upload tab when you log in to your author center and click create a revision.

The revision process is going to due within 3 weeks.

Because we are trying to facilitate timely publication of manuscripts submitted to the Journal of Health Science and Medical Research, your revised manuscript should be uploaded as soon as possible. If it is not possible for you to submit your revision in a reasonable amount of time, we may have to consider your paper as a new submission.

Once again, thank you for submitting your manuscript to the Journal of Health Science and Medical Research and I look forward to receiving your revision.

Sincerely,  
Dr. Surasak Sangkhathat  
Editor-in-Chief, Journal of Health Science and Medical Research
